

BRAC BANGLADESH — ROAD SAFETY PROGRAMME (RSP)

OPERATIONS MANUAL: VEHICLE SAFETY, SPEED & DRIVING CODE

Policy Ref: BRAC-RSP-POL-02 | Effective Date: 01 January 2026 | Scope: RSP All Tiers

1. Vehicle Operations & Mandatory Speed Limits

All BRAC RSP vehicles (microbuses, pick-ups, motorcycles) are monitored 24/7 via GPS telematics. The following limits are legally and administratively binding:

- **School & Hospital Zones, Bazaar Areas:** Maximum **30 km/h**.
- **Urban Municipal Roads & City Streets:** Maximum **40 km/h**.
- **National & Regional Highways:** Maximum **70 km/h**. Exceeding 75 km/h triggers an automated HR violation ticket.

2. Two-Wheeler & Rider Safety Rules

- **Helmet Mandate:** Full-face DOT/BSTI certified helmets mandatory for both rider and pillion passenger. Straps must be locked.
- **Visibility Gear:** High-visibility fluorescent reflective vests must be worn during highway driving and at all times after 6:00 PM.
- **Pillion Limit:** Maximum one (1) pillion passenger permitted. Carrying materials exceeding 15 kg on motorcycles is prohibited.

3. Driver Fatigue Management & Night Travel Restrictions

- **Daily Driving Limit:** Maximum 8 driving hours in any 24-hour cycle. Mandatory 15-minute rest stop every 2 hours.
- **Night Driving Ban:** Driving project four-wheelers and two-wheelers on national highways between **10:00 PM and 5:30 AM** is strictly forbidden, unless written emergency clearance is issued by the Programme Head.
- **Mobile Device Use:** Zero tolerance for calling, texting, or hands-free Bluetooth phone usage while operating any vehicle.

4. Vehicle Maintenance Schedule

Periodic servicing must be conducted every **5,000 km or 3 months** (whichever comes first) at authorized BRAC workshops. Pre-trip 10-point walkaround checks (tires, brakes, lights, fluids, first-aid kit) must be performed every morning.
